**Subject:** Cover letter and comments on MNA approach to VRP pits  
[EnCana pits ltr pdf.pdf](#)  
[Pavillion VRP Pit EPA Comments.pdf](#)

As promised, here are the cover letter and the detailed comments provided in Dec 2010 and copied to the DEQ and OGCC. EPA received no response from Encana or the State on these comments. I am not sure if our comments or the MNA process being used for these pits were ever discussed among the workgroup- Greg or Rob?
